

You can't predict when or where an accident will strike. But you can make sure you have a safety net of financial protection to help if an accidental injury occurs.

Accidents can happen anytime, anywhere — at home or at work, on the playground or on the road. Some of the most common injuries include:

- Broken bones
- Burns
- Concussions
- Lacerations
- Back or knee injuries
- Accidental injuries that send you to the Emergency Room, Urgent Care or a physician's office.

Paul Revere's Group Accident Insurance helps you fill some of the gaps caused by increasing deductibles, co-payments and out-of-pocket costs related to an accidental injury. With this coverage you may not need to use your savings or secure a loan to help pay those unexpected out-of-pocket expenses associated with a covered accident.

Here's how it works...

Imagine while cleaning the gutters, you fall from the ladder and break your leg.

These are out-of-pocket expenses you may encounter:

\$100	Emergency room copay
\$250	Deductible (copays do not count toward deductible)
\$35	Specialist visit copay – orthopedic physician
\$350	Specialist visit copay – occupational/physical therapy for 10 days

\$735 **Out-of-pocket expenses**

And here is a sample of benefits you may be eligible for with Paul Revere's Group Accident Insurance:

\$125	Accident Emergency Treatment
\$150	Accident Follow-up Physician Visit (\$50 per visit, up to 3 per accident)
\$100	Appliance (crutches)
\$1,000	Fracture (broken leg)
\$250	Occupational/Physical Therapy (\$15/day for 10 days)
\$30	X-Ray (for diagnosis of broken leg)

\$1,655 of benefits paid to you in addition to other coverage you may have with other insurance companies.

The claims example above is based on a covered person aged 41 who receives a complete fracture of the leg and requires non-surgical repair. The policy has exclusions and limitations. Costs of treatment and benefit amounts may vary.

Benefits listed are for each covered person per covered accident unless otherwise specified.
