Extra dental benefit for members with qualifying conditions

Regular preventive care is especially important for people with certain health conditions. To help reduce the risk of potential problems, our adult plans include a special dental benefit for members 19 and older who are pregnant, managing heart disease, or living with diabetes.

- Members with these qualifying conditions can receive an extra dental cleaning and exam with a PPO or Premier dental provider each year, at no additional charge.
- Delta Dental of Washington will notify those who qualify for this extra benefit. Importantly, the member's specific diagnosis will remain confidential.
- This extra cleaning and exam doesn't apply to the annual maximum benefit, or the dental plan's cleaning and exam limitations.

Finding a participating dentist

Under your plan, you can choose a dentist from the Delta Dental PPO Plus Premier™ network. You can find a participating in-network dentist in your area by visiting deltadentalwa.com and using the "Find a Dentist" tool.

The advantages of seeing a Delta Dental PPO or Delta Dental Premier dentist

We encourage you to see a Delta Dental of Washington network dentist because that dentist can provide treatments at discounted rates and file all claim paperwork for you. Delta Dental will pay their portion, and you're only responsible for your stated deductibles, coinsurance, or amounts in excess of the plan maximums. In most cases, you will experience the greatest out-of-pocket savings if you choose a Delta Dental PPO dentist.

About using in-network and out-of-network dentists

When visiting an in-network dentist, be sure to mention that you're covered by Delta Dental of Washington and present your Kaiser Permanente ID card.

You are not limited to using a Delta Dental network dentist. You may use any licensed dentist. If you choose a nonparticipating dentist, you will be responsible for having the dentist complete your claim forms and ensuring that the claims are submitted to Delta Dental. You will be responsible for any balance remaining after Delta Dental pays. Unlike participating dentists, Delta Dental has no control over nonparticipating dentists' charges or billing procedures.
