Get in on UHC Rewards

Earn up to
$300

Good news — your health plan comes with a program where you may earn up to $300. UnitedHealthcare Rewards is included in your health plan at no additional cost.

There may be so much good to get

With UHC Rewards, a variety of actions, including many things you may already be doing, may lead to rewards. The activities you go for are up to you. Here are some ways you can earn:

Reach daily goals

- Track 5,000 steps or 15 active minutes each day, or double it for an even bigger reward
- Track 14 nights of sleep

Complete one-time reward activities

- Go paperless
- Get a biometric screening
- Take a health survey
- Connect a tracker

Personalize your experience by selecting activities that may be right for you —and look for new ways of earning rewards that may be added throughout the year.

There are 2 ways to get started

Your rewards

You may earn up to $300

Key features:

- Plan participants and eligible spouses may be reimbursed up to $300, subject to any applicable incentive limits
- Rewards are deposited into an Optum health savings account (HSA) or health Incentive account (HIA) as soon as $5 in earnings is achieved. Earnings may take 14 days to appear.
- 50% plan year rollover of unreimbursed rewards for those on a non-HSA plan

Considerations:

- Point tracking does not start until after your effective date
- All earned credits will be deposited into the plan participant's HSA or HIA to be used at your discretion
- Plan participants and spouses on a high deductible health plan will need to set up an Optum HSA, if they do not already have one, to receive reimbursement
- $25 registration credit will be deposited into the plan participant's HSA or HIA

HSA contribution limits for 2024: Plan participants are responsible for ensuring that they do not exceed the 2024 HSA contribution limits imposed by the IRS. For 2024, the maximum contribution is $4,150 for individual coverage and $8,300 for family coverage. If you are age 55 or older, you may be eligible for an additional $1,000 catch-up contribution.
